

DHC-6 "TWIN OTTER"

Form #1

PRODUCT BULLETIN

DHC-6 Twin Otter operators: take advantage of NAASCO's exclusive ETR-20™ improvements for the Safran Power 23048-004 series starter generators fitted to your aircraft.

• Best Value

Since 1984, NAASCO has provided money-saving repair and overhaul solutions for troublesome, obsolete or otherwise costly components.

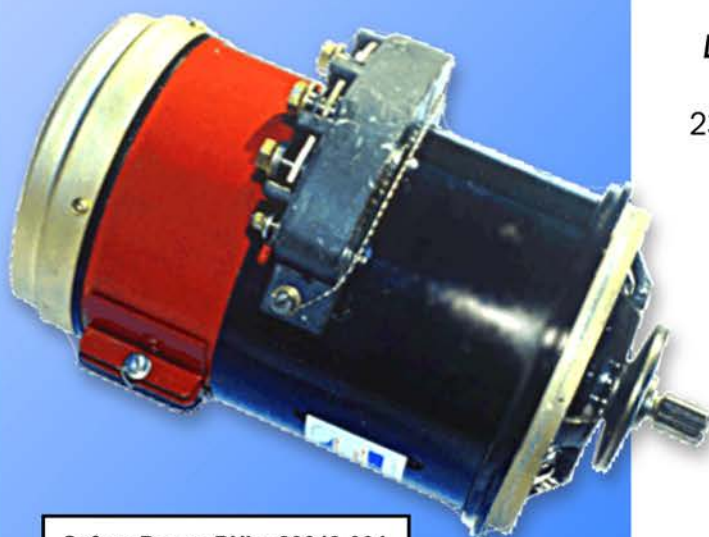

• 1,000 Hours Plus!

NAASCO is committed to providing the best value for your maintenance dollar. All units overhauled with our ETR-20™ improvements are backed by NAASCO's 1,000-hour starter generator brush-life warranty.

• Commitment to Excellence

At NAASCO, we strive to maintain the highest levels of dependability and reliability to give our customers the competitive edge.

Call or visit our website today to learn more about NAASCO's Repair, Replacement and Exchange Programs.

Safran Power PN's: 23048-004
23048-004M · 23048-004MT
23048-004T · 23048-004TM

ETR-20™ improvements extend the life of your components by:

- eliminating carbon contamination,
- drastically reducing armature wear,
- increasing starter generator reliability
