

Mercury Mod™ Upgrades for Schweizer Helicopter

Mercury Mod™ fits these models:
269D · S-330
S-333 · S-434

• Best Value

NAASCO's exclusive Mercury Mod™ is the "perfect fit" for your Schweizer Helicopter!

• Greater Reliability

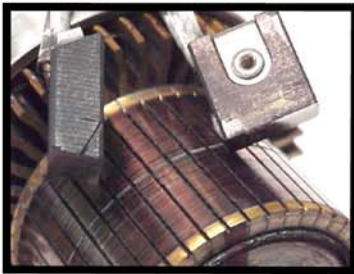

A modified anti drive-end endbell, reconfigured fan cover and other internal elements provide greater cooling. Coupled with our ETR™ brushes, your modified unit is backed by NAASCO's exclusive 1,000 hour, 'No Brush Change' guarantee!

• Unparalleled Quality

We strive to maintain the highest levels of quality, reliability and dependability to give our customers the "Best Value" for the maintenance dollar.

Since 1984, NAASCO has provided cost-effective, state-of-the-art repair solutions for a variety of aircraft components.

Example of armature and brushes as removed from unit with over 1067.3 hrs. of service.

Our Mercury Mod™ upgrade extends the life of your components by:

- eliminating carbon contamination,
- drastically reducing commutator wear,
- increasing starter generator reliability

Skurka/APC
150SG117Q

Enhanced cooling means unsurpassed reliability, increased efficiency and exceptional performance.
