### TAKE FLIGHT

Take advantage of NAASCO's patented ETRM-25™ "Mercury Mod™" upgrade for the 150-ampere APC or Lucas / Goodrich starter generator fitted to your aircraft.

### PROVEN RELIABILITY

Since 1984, NAASCO has provided money-saving repair solutions for costly, obsolete, or otherwise troublesome components.

### BEST VALUE

NAASCO's unparalleled ETR™ improvements will further enhance your starter generator's reliability while substantially reducing your maintenance costs.

### 1,000 HOURS PLUS

At NAASCO, we strive to maintain the highest levels of reliability and dependability to give our customers the competitive edge.
